THE EXPLOSIVES ENGINEER

INDEX TO VOLUME THIRTY-ONE

JANUARY-DECEMBER, 1953

A

Accelerating Fill Settlement with Explosives on a Massachusetts Highway, by Hollis F. Church, Jr.—July-Aug., p. 112.

Accident Prevention:
- Accidents Can be Eliminated—editorial—Nov.-Dec., p. 166.
- All-Time Winners—May-June, p. 87.
- (An) Appeal to Operators of Mines and Quarries—editorial—Sept.-Oct., p. 134.
- Awards of Certificates of Achievement in Safety—May-June, p. 88.
- Care in Storing Explosives Helps Reduce Costs—editorial—Sept.-Oct., p. 134.
- Don'ts for Explosives Users—editorial—Mar.-Apr., p. 38.
- "Don'ts" for Explosives Users—editorial—Nov.-Dec., p. 166.
- Four Underground Mines Receive Top Safety Awards for Perfect Safety Records—Nov.-Dec., p. 180.
- Help to Prevent Children from Playing with Blasting Caps—editorial—July-Aug., p. 102.
- Hunter Tunnel Miners Awarded Sentinels of Safety Trophy—Sept.-Oct., p. 146.
- Miners and Quarrymen Honored at Safety Award Ceremonies—Jan.-Feb., p. 13.
- (The) National Safety Competition of 1952, by Seth T. Reese—May-June, p. 71.
- Prevent Weak Blasts and Misfires—editorial—Nov.-Dec., p. 166.
- Radio Frequency Energy—A Potential Hazard in the Use and Transportation of Electric Blasting Caps—July-Aug., p. 116.
- (A) 31-Year Railroad Record—editorial—Sept.-Oct., p. 134.
- (The) Winners—1952—May-June, p. 70.

Alaska's Lake Eklutna Hydroelectric Project, by Bob Kederick—Nov.-Dec., p. 175.

All-Time Winners—May-June, p. 87.

Anchorage Daily News:
- Alaska's Lake Eklutna Hydroelectric Project, by Bob Kederick—Nov.-Dec., p. 175.
- (The) Evan Jones Coal Mine in Alaska, by Bob Kederick—July-Aug., p. 103.

Anthracite Mines:
- Hunter Tunnel Miners Awarded Sentinels of Safety Trophy—Sept.-Oct., p. 146.
- Miners and Quarrymen Honored at Safety Award Ceremonies—Jan.-Feb., p. 13.
- (The) National Safety Competition of 1952, by Seth T. Reese—May-June, p. 71.

Awards of Certificates of Achievement in Safety—May-June, p. 88.

B

Beatty, W. B.
- Shallow Exploration for Iron Ore with the Reflection Seismograph—Nov.-Dec., p. 172.

Behme, Robert Lee:
- San Francisco's Broadway Tunnel Under Russian Hill—Jan.-Feb., p. 22.
- United States Vanadium's Tungsten Mine in California—Mar.-Apr., p. 39.

Bethlehem Steel Company:
- Dynamite Solves Bethlehem Steel Company's Scrap Metal Inspection Problem—July-Aug., p. 108.

Biography:
- Camp, Clarence, II—Nov.-Dec., p. 165.
- Case, Francis Owen—Sept.-Oct., p. 133.
- Mackie, George Kerr, Jr.—Jan.-Feb., p. 4.
- Matthews, Armstrong Robertson—July-Aug., p. 100.
- Sturgis, Samuel Davis, Jr.—May-June, p. 68.
- Thompson, Joseph Hamilton—Mar.-Apr., p. 36.

Bituminous-Coal Mines:
- Clover Splint Mine in Harlan County, Kentucky, by E. Deaton Trent—Mar.-Apr., p. 53.
- (The) Evan Jones Coal Mine in Alaska, by Bob Kederick—July-Aug., p. 103.
- Four Underground Mines Receive Top Safety Awards for Perfect Safety Records—Nov.-Dec., p. 180.
- (The) National Safety Competition of 1952, by Seth T. Reese—May-June, p. 71.

Blasting:
- Accelerating Fill Settlement with Explosives on a Massachusetts Highway, by Hollis F. Church, Jr.—July-Aug., p. 112.
- Alaska's Lake Eklutna Hydroelectric Project, by Bob Kederick—Nov.-Dec., p. 175.
- Blasting a Channel through New Jersey Mud Flats, by Paul W. Miller—Jan.-Feb., p. 18.
- Blasting with Dynamite Accelerates Fill Settlement—editorial—July-Aug., p. 102.
- Clover Splint Mine in Harlan County, Kentucky, by E. Deaton Trent—Mar.-Apr., p. 53.
- Constructing a Modern Highway Across the Strait of Canso, by Dennis Pelrine—Sept.-Oct., p. 142.
- Crossing a Wide, Deep River with Two Pipe Lines, by J. E. McClinton—Jan.-Feb., p. 7.
- Dynamite Solves Bethlehem Steel Company's Scrap Metal Inspection Problem—July-Aug., p. 108.
- (The) Evan Jones Coal Mine in Alaska, by Bob Kederick—July-Aug., p. 103.
- (The) Largest Salt Mine in the Western Hemisphere, by Bradley Root—Mar.-Apr., p. 49.
- (A) 90-Mile Water Pipeline in West Texas, by John O. Smith—Mar.-Apr., p. 45.
- Open-Pit Limestone Mining in Florida's Hernando County, by L. B. Lovett—Nov.-Dec., p. 167.
- Puerto Rico's Water Supply Project, by Albert S. Keshen—July-Aug., p. 118.
- Quarrying a Massive Granite Formation in Virginia, by R. W. McCall—Sept.-Oct., p. 149.
- Radio Frequency Energy—A Potential Hazard in the Use and Transportation of Electric Blasting Caps—July-Aug., p. 116.
- San Francisco's Broadway Tunnel Under Russian Hill, by Robert Lee Behme—Jan.-Feb., p. 22.
- Shallow Exploration for Iron Ore with the Reflection Seismograph, by W. B. Beatty—Nov.-Dec., p. 172.
- Shooting for Oil in the Gulf of Mexico, by Welch Richardson—Sept.-Oct., p. 135.
- United States Vanadium's Tungsten Mine in California, by Robert Lee Behme—Mar.-Apr., p. 39.

Blasting a Channel through New Jersey Mud Flats, by Paul W. Miller—Jan.-Feb., p. 18.

Brewster, George M. & Son:
- Blasting a Channel through New Jersey Mud Flats, by Paul W. Miller Jan.-Feb., p. 18.

Broadway Tunnel:
- San Francisco's Broadway Tunnel Under Russian Hill, by Robert Lee Behme—Jan.-Feb., p. 22.

Brown & Root, Inc.:
- Crossing a Wide, Deep River with Two Pipe Lines, by J. E. McClinton—Jan.-Feb., p. 7.

Bureau of Reclamation:
- Alaska's Lake Eklutna Hydroelectric Project, by Bob Kederick—Nov.-Dec., p. 175.

C

Camp, C. & J., Incorporated:
- Camp, Clarence, II—a biography—Nov.-Dec., p. 165.

Camp, Clarence, II—a biography—Nov.-Dec., p. 165.

Camp Concrete Rock Company:
- Camp, Clarence, II—a biography—Nov.-Dec., p. 165.
- Open-Pit Limestone Mining in Florida's Hernando County, by L. B. Lovett—Nov.-Dec., p. 167.

Camp Phosphate Company:
- Camp, Clarence, II—a biography—Nov.-Dec., p. 165.

Canso Causeway:
- Constructing a Modern Highway Across the Strait of Canso, by Dennis Pelrine—Sept.-Oct., p. 142.

Case, Francis Owen—a biography—Sept.-Oct., p. 133.

Channel:
Blasting a Channel through New Jersey Mud Flats, by Paul W. Miller—Jan.-Feb., p. 18.

Church, Hollis F., Jr.:
Accelerating Fill Settlement with Explosives on a Massachusetts Highway—July-Aug., p. 112.

(The) Clemens Coal Company:
Mackie, George Kerr, Jr.—a biography—Jan.-Feb., p. 4.

Closplint Coal Company:
Clover Splint Mine in Harlan County, Kentucky, by E. Deaton Trent—Mar.-Apr., p. 53.

Clover Splint Mine in Harlan County, Kentucky, by E. Deaton Trent—Mar.-Apr., p. 53.

Coal Mining:
Clover Splint Mine in Harlan County, Kentucky, by E. Deaton Trent—Mar.-Apr., p. 53.
(The) Evan Jones Coal Mine in Alaska, by Bob Kederick—July-Aug., p. 103.
1953 Coal Show in Cleveland May 11 through May 14—editorial—Mar.-Apr., p. 38.

Coker Construction Company:
Alaska's Lake Eklutna Hydroelectric Project, by Bob Kederick—Nov.-Dec., p. 175.

Colorado River Municipal Water District of Big Spring, Texas:
(A) 90-Mile Water Pipeline in West Texas, by John O. Smith—Mar.-Apr., p. 45.

Constructing a Modern Highway Across the Strait of Canso, by Dennis Pelrine—Sept.-Oct., p. 142.

Construction:
Accelerating Fill Settlement with Explosives on a Massachusetts Highway, by Hollis F. Church, Jr.—July-Aug., p. 112.
Alaska's Lake Eklutna Hydroelectric Project, by Bob Kederick—Nov.-Dec., p. 175.
Blasting a Channel through New Jersey Mud Flats, by Paul W. Miller—Jan.-Feb., p. 18.
Constructing a Modern Highway Across the Strait of Canso, by Dennis Pelrine—Sept.-Oct., p. 142.
Construction Survey Forecasts Abundant Work Ahead—editorial—Sept.-Oct., p. 134.
Crossing a Wide, Deep River with Two Pipe Lines, by J. E. McClinton—Jan.-Feb., p. 7.
(The) Moles Awards for 1954—Nov.-Dec., p. 186.
Puerto Rico's Water Supply Project, by Albert S. Keshen—July-Aug., p. 118.
San Francisco's Broadway Tunnel Under Russian Hill, by Robert Lee Behme—Jan.-Feb., p. 22.

Cooke-Ross, Incorporated:
Accelerating Fill Settlement with Explosives on a Massachusetts Highway, by Hollis F. Church, Jr.—July-Aug., p. 112.

Crossing a Wide, Deep River with Two Pipe Lines, by J. E. McClinton—Jan.-Feb., p. 7.

D

Dams:
Quarrying a Massive Granite Formation in Virginia, by R. W. McCall—Sept.-Oct., p. 149.

Ditch Blasting:
Accelerating Fill Settlement with Explosives on a Massachusetts Highway, by Hollis F. Church, Jr.—July-Aug., p. 112.
Crossing a Wide, Deep River with Two Pipe Lines, by J. E. McClinton—Jan.-Feb., p. 7.

Dynamite Solves Bethlehem Steel Company's Scrap Metal Inspection Problem—July-Aug., p. 108.

E

Editorials:
Accidents Can be Eliminated—Nov.-Dec., p. 166.
(An) Appeal to Operators of Mines and Quarries—Sept.-Oct., p. 134.
Blasting with Dynamite Accelerates Fill Settlement—July-Aug., p. 102.
Care in Storing Explosives Helps Reduce Costs—Sept.Oct., p. 134.
Check Your Leading Wire—Jan.-Feb., p. 6.
Construction Survey Forecasts Abundant Work Ahead—Sept.-Oct., p. 134.
Don'ts for Explosives Users—Mar.-Apr., p. 38.
"Don'ts" for Explosives Users—Nov.-Dec., p. 166.
Dynamite Consumption in 1952 Established New Record—Mar.-Apr., p. 38.
Explosives Research—Jan.-Feb., p. 6.
Help to Prevent Children from Playing with Blasting Caps—July-Aug., p. 102.
Merry Christmas—Happy New Year—Nov.-Dec., p. 166.
Mining Men to Meet in Seattle, September 21–24—July-Aug., p. 102.
(A) New Year's Resolution—Nov.-Dec., p. 166.
1953 Coal Show in Cleveland May 11 through May 14—Mar.-Apr., p. 38.
Permissible Explosives—Jan.-Feb., p. 6.
Prevent Weak Blasts and Misfires—Nov.-Dec., p. 166.
(A) 31-Year Railroad Record—Sept.-Oct., p. 134.
U. S. Mineral Production at Highest Rates in History—Mar.-Apr., p. 38.

Evan Jones Coal Company:
(The) Evan Jones Coal Mine in Alaska, by Bob Kederick—July-Aug., p. 103.
